722-B Main Street | Fiddlers Green Plaza | Yarmouthport, MA 02675

Cape Linen Rentals gives you, the home owner, the option of not having to provide linens to your tenants and risk ruining yours.

Cape Linen Rentals provides premier linen rental service to your tenants with easy online ordering service and a wide variety of items to choose from.

Cape Linen Rentals guarantee our delivery's 100%. If at any time your renters find we have not packed something they ordered (we're human, it happens) we request they let us know immediately. If they would like us to come back and deliver what we have forgotten, we will do so at no extra charge.

Cape Linen Rentals provides all containers for you to return rented linens. It maximizes efficiency and minimizes the chance of lost items.

Cape Linen Rentals will provide a detailed description of the order including what we are delivering and when we are picking up containers. This form can be used to crosscheck upon checkout, making sure everything ends up back in its right tote.

Cape Linen Rentals encourages our clients to express their experience with CLR and offer any suggestions as to how we may improve; helping us to ensure quality control. A survey form will be provided with the order. We welcome and appreciate your feedback.

Cape Linen Rentals would be pleased to have you and your renters as our newest linen rental clients and hope you'll recommend us to your friend & neighbors this summer.

Give Cape Linen Rentals a try and receive 10% off your first order!
